

Marsden Heights Community College

The best in everyone™

Part of United Learning

How will Marsden Heights help me to get ready to come to secondary school?

We are all looking forward to welcoming you to MHCC. We understand that starting secondary school is a big step, and that you may be feeling both excited and nervous right now. We will do everything we can to make your move to us as easy as possible. We have created this booklet to help you to know what to expect when you start with us.

Your parents/carers may have already attended a special meeting to learn about the school. You will also attend two dedicated days, to help you prepare for starting Year 7. During these days, you will meet your new teachers, explore the school building and learn more about Marsden Heights and what to expect in September.

You will also find lots of useful information on the school's website. Your parents/carers can also find out lots more about MHCC life by following us on social media!

How should I prepare for my first day?

We are very proud of our uniform at MHCC and we have high expectations of presentation.

As well as the uniform detailed below, as there can be a lot of cold and wet weather, a plain, dark-coloured coat is also required:

- **School tie (this will be provided for you.)**
- **Black blazer**
- **White shirt (long or short-sleeved)#**
- **Black trousers**
- **Black skirt (plain black leg covering, shalwar, may be worn under the skirt)**
- **Black/grey socks or opaque black tights**
- **Black shoes (plain, formal and flat)**
- **Black hijab (optional)**

You will need to bring your PE kit to school on PE days. You will need the following uniform for PE:

- **MHCC PE shirt**
- **Black jogging bottoms or leggings**
- **Trainers**

You will need a sensible bag to fit A4 books and folders. **You will be provided with a pencil case with the following equipment:**

- **2 black pens**
- **1 green pen**
- **1 pencil**
- **30cm clear plastic ruler**
- **Eraser**
- **Highlighter**
- **Whiteboard, pen and rubber**

You will need to bring this additional equipment:

- **Protractor**
- **Sharpener**
- **Casio fx-83GT CW Scientific calculator**

We will provide your parents/carers with a full uniform, and PE and equipment list. You can also get more information on our uniform guidelines, and where to order it, on our website.

Make sure that everything **has your name on it**, including your uniform, so things can be returned to you easily if they are mislaid.

What happens in my first week at MHCC?

Before you start with us, plan ahead and make sure you know how long your walk or journey to school will take.

When you arrive on your first day, you will be greeted at reception by teachers and student leaders who will tell you where you need to go and what you need to do.

You don't need to worry, there will be plenty of people around to help you.

You will then spend some time with your progress group and progress tutor, and you will receive your planner and timetable.

The first few days are called 'The MHCC Way'. This is a special timetabled week, created to help you settle into the school and feel more at home.

You will learn where things are, meet lots of different teachers, including the Principal, and get to know your new classmates. It's a great way to begin your exciting journey with us.

Everyone at the school knows what the first day feels like, so we all do as much as possible to help you feel welcome and settle in.

***You will find
everyone at
MHCC friendly
and welcoming!***

What does the college day look like?

Every day there are four periods for your lessons. There is also a break and lunchtime, plus every student can get a free breakfast at our Breakfast Club - every day.

There are different classrooms for lessons but you will soon get used to finding your way around.

Our school day looks like this:

Arrival

8.30am - Entrance and registration

9.05am - Period 1

Break

10.40am - Period 2

11.55am - Period 3

Lunch

13.50pm - Period 4

End of Day - 15.05pm

What is expected of me?

We have three core MHCC values, which are followed by all staff and students.

Hard work

Trust

Fairness

Hard Work

We believe that throughout our lives we need to have the right work ethic. We work to the very best of our ability in everything that we do. We believe that we do not give up, but that we think round the problems we face. We are resilient and we persevere so that with help, support and teamwork, we can find the solutions. We know that the work we put in now will help us climb our own personal mountains to ensure that we can be successful at university and in life.

Trust

We all need to place our trust in others. We recognise that this can sometimes make us vulnerable. With trust comes great responsibility and we trust both staff and students to behave with integrity and to treat each other with kindness and with respect. We expect that same level of behaviour both inside and outside of MHCC, as we are rightly very proud of our school.

Fairness

We believe that everyone deserves opportunities to be the best that they can be. We realise that we are individuals and that we do not all start at the same point in life. We do not believe that a student needs to fit *in* with MHCC– we feel that they need to fit *with* MHCC. We value our differences, and we accept that we are all valued and valuable.

We also have a set of MHCC expectations for our students. We want you to be:

- **Ambitious** – to achieve the best
- **Confident** – to have the courage of your convictions and to take risks in the right cause
- **Creative** – to imagine possibilities and make them real
- **Respectful** – in all that you do
- **Enthusiastic** – to seek opportunity, find what is good and pursue your talents and interests
- **Determination** – to overcome obstacles and reach success

We are one big community at MHCC, so it is important that we are all kind and helpful to each other.

Rewards

We believe in celebrating the successes and achievements of our students, so we have a wide variety of rewards and incentives!

Pastoral Care

If you have any concerns, or need any extra help or support, please talk to your progress tutor or progress leader who will be happy to help.

What extra-curricular activities can I take part in?

We have a wide variety of trips, clubs, activities, charity fundraising and community activities that you can take part in.

These are a great way for you to make new friends, have fun and develop lots of new skills.

Dream, believe and achieve at Marsden Heights Community College
